Text Structure Stairs

The diagram illustrates a sequence of four rectangular boxes arranged in a staircase pattern, ascending from the bottom-left to the top-right. Each box is connected to the one above it by a small, 3D-style step. A large, thick black arrow points diagonally upwards from the bottom-left towards the top-right, following the path of the stairs. The boxes are labeled as follows:

- What happened first?** (Bottom-left box)
- Then?** (Second box from bottom-left)
- Next?** (Third box from bottom-left)
- Finally, what happened last?** (Top-right box)
